

Your Car - Clean Or Dirty?

Clean Car (You Want Your Car Virus-Free)

1. Enter your Car in Street Clothes

2. Arrive at Work & Put Your PPE On

3. Finish Work - Doff/Decontaminate at Work

4. Put Your Street Clothes On & Go Home

Dirty Car (There May Be an Active Virus In Your Car)

1. Enter Car in Work PPE from Home

2. Work All Day and Re-Enter Car with PPE Still On

3. Drive Home in Your PPE

4. Doff Once You Arrive at Home in a Safe Area
